Hotchkiss each won two individual CIF championships, reaffirming the belief that hard work can translate into well-earned success.

Pietrzyk won the CIF Division IV 3200-meter championship race last spring in a time of 10:47.70. She improved to a personal best of 10:35.91 at the Masters a week later. Pietrzyk also won the 1600- and 3200-meter Frontier League titles.

Pietrzyk became the third female athlete in Malibu track and field program history to win a CIF Southern Section title and the first since 2000.

Her feats continued this fall when she became Malibu High's first female cross country section champion by winning the CIF Division IV title in a personal best time of 17:32. Pietrzyk's season culminated with a second-place finish in Division IV at the state cross country championships.

The sky is the limit for Pietrzyk as she still has another year-and-a-half to add to her collection of astonishing achievements.

In the swimming world, Hotchkiss made a splash by winning the CIF Division IV 200-meter freestyle (school-record time of 1:45.54) and the 500-meter freestyle (4:46.45). He also won three league titles (500-meter freestyle and two relays) as the Malibu boys' swim team won the Frontier League championship.

Hotchkiss will look to add to his impressive trophy case this spring as one of the top swimmers in the Southern Section.
